

Not happy
They want to
change our life.

WEB TEST

Pass a web test
but they still have
no Skill

Appilacion

400 hours
commitment

They can get many
programming skills
We have a **great system**
for that
LMS, 400h commitment,
good teachers, and
great curriculum.

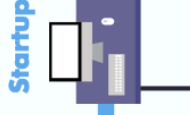

They **get** great **skills**
and NS license
They can **get** a **job**
in IT company

Recruitment
We will send
the best **Talent**

They can **improve** more
Working under the CTO,
good PG, senior
engineers

Startup
